**YELLOWSTONE CONFERENCE UNITED METHODIST WOMEN OFFICER DIRECTORY**

Yellowstone Conference UMW collects officer names and addresses for all local units as well as District and Conference Mission Team Leaders. Each unit will get a copy of the Directory sent to the President of the local unit. We hope that your local UMW has elected its officers and it will be easy for you to fill in this form and send it back by **no later than January 10<sup>th</sup>, 2019**. We depend on your efforts, as a local secretary, to collect this vital information including email addresses. If you do not have a complete list elected, please send the information that you do have. We must begin the process of making each new Directory by January 15 in order to publish the Directory by the first weekend of February. If we do not have a list from you, we will have to use the information from the previous year.

You have full permission to copy any part of or the entire Directory for your own use. We believe that sharing contact information is one of the helpful things we do to make Yellowstone Conference special and hope that your copy of local officers' information will give you ways to bring each local unit closer to nearby units. We do not allow any of this information to be given to any but local UMW members and U.M. Churches and trust you to keep this promise of security within our church and our UMW units. This Directory is prepared with prayers for each person listed as each name is typed into the master copy.

We wish blessings on you and on all your officers as you work for Mission in Jesus' name.
